Ruth Sherman (1132214): Hey everyone! Welcome back. Be with you shortly

[G]Juliana: Juliana Zoto

[G]Terri Williams: Hi Juliana and everyone!!

[G]Juliana: Hi everyone. It is wonderful to be well again!

[G]L Denise: Good everyone!

[G]Jackie: The folks at the Apple Store in Albuquerque advised me to do the editing on a computer rather than the iPad. The iPad is great for shooting the videos though.

Ruth Sherman (1132214): [Submitted Question]

[G]Betsy Day: Ruth, can you tell us what device you are using in your ear and why you use it.?

1132214: null

Ruth Sherman (1132214): [Submitted Question]

[G]Jackie: I signed up for Ask Mr. Video and also attended the iPad Webinar. Are they offering the same content

1132214: null

[G]L Denise: I know there is a microphone for some phone cameras with a remote...but are there lapel microphones that plug into a computer or is it really the same type of plug?

Ruth Sherman (1132214): [Submitted Question]

[G]Elizabeth: Do you have more tips for filming with an iPhone?

1132214: null

Ruth Sherman (1132214): [Submitted Question]

[G]Jackie: Can you spell that? Are you saying "Bliss"

1132214: null

Ruth Sherman (1132214): [Submitted Question]

[G]Mara: Do you know if Android phones do that same room exposure adjustment by touching the screen like that?

1132214: null

[G]L Denise: you can use this for the computer as well?

[G]Mara: Does the little white earphone set you're using give good audio quality on video? I have the same set... will it do a good job for my audio?

Ruth Sherman (1132214): [Submitted Question]

[G]Elizabeth: I have a question about our strategy sessions: what's the best way to prepare for those?

1132214: null
